

School Leader Overnight School Leadership Groups

Program Overview

The School Leader program at Gibberagong EEC provides an opportunity for students to learn leadership skills through activities designed to encourage teamwork, negotiation, problem solving and leadership

The program is ideally suited to student groups that have taken on leadership responsibilities within their school. This may include SRC, Prefect groups and Peer Support teams.

The program will be designed in collaboration with the school and will include the following:

- ✓ leadership workshops and activities
- ✓ night activities
- ✓ accommodation in bunks
- ✓ all meals (option to self cater)

Suggested Timetable (subject to tides)

Time	Activity
Day 1 Morning	Welcome and group orientation Leadership and initiative games
Day 1 Afternoon	Choice of bush walk or canoe activity School focus - leadership workshop
Day 1 Evening	Group Activity/Game Show
Day 2 Morning	Choice of bush walk or canoe activity
Day 2 Afternoon	Next steps as leaders Overnight program concludes

Learning Activities

Welcome Group Orientation

Students will work in teams of 3 and undertake an orienteering course set up around the Bobbin Head Picnic Area. This activity will require students to work together to complete the orienteering course.

Initiative Games

Students will work in small groups to complete a series of games, such as infinite sitting, trust circle, chronological line up and knots. On completion, students will self-reflect on each activity.

Problem Solving

Students will be provided with a scenario about an environmental issue which they will be encouraged to collaborate to find a solution.

Canoe Activity

The Cowan Creek at Bobbin Head is the perfect place for canoeing. In pairs, students will work together to perform a series of challenges to develop teamwork

Bushwalk

A walk through the bush is a great way to discover some of the natural and heritage features of the area. Included in this is an opportunity for students to discover a 'magic spot' - a quiet area for self-reflection.

School Focus - leadership workshop

During this session, the school has an opportunity to focus on a specific area of leadership that they would like the students to achieve.
